- Make desicions

Experience

Web Developer - 09/2021 to now
Freelancer, Websites

- Cooperate with designers to create clean interfaces and simple, intuitive interactions and experiences.
- Develop project concepts and maintain optimal workflow.
- Complete detailed programming and development tasks for front-end public and internal websites.
- Carry out quality assurance tests to discover errors and optimize usability.

Corporate Social Responsibility (CSR) & Communications & Graphic Designer - 09/2022 to 10/2022
Energean, Graphic Designer

- Cooperate with designers to create clean interfaces and simple, intuitive interactions and experiences.
- I have finished 3 weeks internship in Energean company. I had a great time being a member of the team Corporate Social Responsibility (CSR). It was a fantastic experience, and I was able to hone my skills while learning a few new ones.

Graphic designer - 01/2018 to now
Freelancer, Websites
Resale, Organization

- I worked on the Photoshop program in training teams at the Resala Foundation. I created many different designs for all social media sites, which later helped me to adapt this programming skill and create good user interfaces.
- I also worked with many institutions and student activities in the work of designs, **such as:**
    - Science land, Turning Point, SIT
